

Golden State Bull Terrier Club
Concurrent Specialty with Kennel Club of Pasadena
June 1, 2019
Judge: Cleo Parker

I would like to thank the Golden State Bull Terrier Club for inviting me and for their hospitality during my stay. I understand this was the first time they've been at this site, it was spacious and very accommodating to specialties who each had their own ring and plenty of room around it to set up grooming and hospitality. Apologies for your "bad" weather were uncalled for, to have the same weather all day long is a treat for someone from Michigan!

COLORED

Winners Dog

Robin Overby's **REDROCK'S WICKED AMBITION** (By GCH Wicked's White Tie Affair -- Edelwin's Reflection of Dora at Redrock) Young brindle dog from the 9-12 months class in nice hard condition. Head has a nicely curved smooth profile, long foreface with good fill down to the end of the muzzle. Good expression. His mouth is correct. Well balanced with clean neck leading into a short back, well-angulated front and rear. A lot of leg under him which I attribute to his youth. Strong topline with high tail carriage. Covers ground well, while moving, clean and parallel in front, slightly close behind.

Reserve Winners Dog

David and Marianne Lockyer and Brent & Jeanna Ruppel and Melany Aten **QUICKSILVER WEAR YOUR COLORS** (By Bestuvall Too Hot To Cross at Moxie -- Quicksilver Wicked Ways) Splash marked brindle dog, more mature than WD. Head is strong, but profile is not completely smooth and expression is a bit kind. Incisors are level with canines tight to gums. Nicely shaped body, not quite as well angulated as the winner front or rear, Moved smoothly, clean parallel lines in front and a bit closer behind.

Winners Bitch and Best of Winners

James and Cynthia Farrington and Kristy Utt DVM **ARDRY GEMINI MAID OF THE MIST** (Emred Devils Advocate -- CH Action Ardry Divine Mystery.) Tall, well-balanced brindle bitch with a splash mark on her back. Lovely head, smooth profile with good fill down to the

end of the muzzle and a keen expression. Incisors correct, both canines instanding. Well angulated front and rear with good length of neck. When she felt like stepping out, she moved smoothly viewed from the side, parallel front and rear.

Reserve Winners Bitch

Melany Aten and Ignacio Ponce **MISCHIEVOUS MAGIC AT STONEHOUSE** (Teirwgywn Top Gun -- Crestmonts Mex E Cal lee Rose) Solid brindle bitch, completely different type from the winner. Her head is short with a dramatic profile, strong with some taper toward the end, Canines correct, incisors undershot. Substantial but in soft body condition, rear angulation good, front a bit upright, I would like to see a longer neck and shorter back. Clean front and parallel front movement, closer behind.

Best of Variety and Best of Breed

Robert and Grace Thomas. **GCHB GRABO TESTAROSSA FORMULA FOR DRAMA** (CH Action Devil's Apprentice By Formula -- GCH Action's Formula For A Queen CGC) Handsome well marked red dog with lovely bone and ring presence. Head is smooth with gentle profile, good length of foreface and filled right to the end of the muzzle. Excellent expression, mouth correct. Smooth body lines, with good angulation at both ends and clean front. Moves with purpose, parallel front and just slightly closer in the rear.

Best of Opposite Sex and BOS to Best of Breed

Amy L Jaspers & Phil Jaspers & Kelli Wilkerson **GCH NOTORIOUS RIGHT ROYAL** (CH Rabram Royal Star -- CH Notorious Knockout) Well balanced black brindle bitch. Very strong head with a slightly exaggerated profile. Good width of head down to the muzzle with a varminty expression. Both incisors and canines are correct. Smooth body lines, good length of neck flows smoothly into her back Nice clean front, with well-angulated shoulder, well let down hocks. Moves freely, parallel in front, closer behind. Her front movement and profile just gave her a little edge over the Select bitch.

Select Dog

Clive Bruttton & Jan Gothan **CH BULLARDS AYERS ROCK**, (By GCHS Soquel Millenium Seafarer -- CH Bullards Claire Bell- Shes Bonafide CGC) Handsome, substantial red brindle and white dog. Strong head with smooth, gentle profile and good fill right to the end

of his muzzle, good expression, correct bite. Flowing body lines, well-constructed with fluid, if not enthusiastic movement.

Select Bitch

Brent Ruppel & Jan & Ted Gothan & Diane Calden **GCH BULLARDS BLACK DOVE CLASSIC** (By GCHS Soquel Millenium Seafarer -- CH Bullards Claire Bell-Shes Bonafide CGC.) Another lovely black brindle bitch. Gentle profile and good expression, good fill to the end of her muzzle. Moved well, but not quite as cleanly as the BOS in front. As I noted, a very close decision between this bitch and BOS. Upon getting my catalog I see my Selects are littermates – congrats to their breeder!

WHITE

Winners Dog and Best of Winners and Best of Opposite Sex

Susan Murphy **TAWNBARR SHOOTING STAR**, (By Emred Devil's Tri Star -- CH Tawnbarr Starlight) Square young dog with multiple head markings. Strong head with gentle profile and good fill, good expression. Mouth correct. Well constructed, with straight front, good length of neck flowing into well-angulated shoulders. Good topline and well-angulated rear. Front movement parallel, rear a touch close, fluid side gait. His overall proportions, front/rear angles and pristine condition gave him the edge for BOS.

Reserve Winners Dog

Kim Bebb and Glenna Wright **SUNNY SKY'S SWEET CREATURE** (GCHB Glentom Seeking Fame and Fortune -- GCH Sunny Sky's Sterling Peach) Critique etc Fancy headed young dog with brindle ear markings. Exaggerated profile with good width down his muzzle, excellent expression. Bite correct except for 1 instanding canine. Would prefer more length of neck and smoother transition to his topline. Moves well front and rear.

Winners Bitch

Luis Vega and Ariana Rodriguez. **TEIRWGWYN RISING FLAME**, (Bluepoint Spitfire -- Teirwgwyn Secret Potion) Strong headed upstanding bitch with red head markings. Smooth profile and impressive fill all the way to the end of her muzzle, correct bite. Well constructed, nice length of neck, I would prefer a slightly shorter back. Covered ground easily, clean front movement.

Reserve Winners Bitch

Jan Dykema **BESTUVALL MY SIN** (By CH Actions Devils Apprentice by Formula -- CH Bestuvall Designer White Diamonds) All white bitch with exaggerated profile and wicked expression, would prefer more fill in her muzzle, correct bite. I would prefer a longer neck and shorter back. Her coat condition was lovely, could be better muscled with tighter skin. Moved a bit wide in the front, close behind

Best of Variety

Marianne & David Lockyer & Melany Aten **CH STONEHOUSE'S EASY BEING ROYAL** (By CH Rabram Royal Star -- GCHB Bestuvall On Easy Street) Well balanced white bitch with brindle ear mark. Smooth profile with good fill and expression, ears are tall but nicely set. Canines correct, slightly undershot Compact style with neck flowing nicely into shoulders and her short back. She is well angulated and balanced front and year She moves well coming and going with the desired jaunty air.

Select Dog

Carl Pew **GCH SILMARIL SEXTANT**, (By GCH Allegro Rockstar -- Silmaril Sienna Spirit from Aragon) Short backed all white dog with a massive head. He has a smooth profile and extreme width all the way to the end of his muzzle with a correct bite. Evil expression which for me is marred by low set ears. Good bone for his size. Gently angulated front and rear moves a bit wide in front with tail carried high, his was a bit out of coat.

Select Bitch

Robert and Grace Thomas **CH TAWNBARR STARLIGHT**, (CH Emred Devils Spy -- CH Gorbain Ice Maiden Tawnbarr.) Strong headed all white bitch with several outstanding virtues. Smooth profile, good length of foreface, nice fill right to the end of her muzzle and a varminty expression, correct bite. A long neck that flows nicely into her shoulders, but behind the collar I feel her proportions go off, she would need much longer legs to match the symmetry of my winner. She moves well, a touch wide in front, slightly close in rear.
