

## **Bull Terrier Club of Central New Jersey**

### **Bronx Kennel Club**

**3/27/2022**

**Judge: Cleo Parker**

I'd like to thank the Central New Jersey Bull Terrier Club for inviting me to judge their show, and also to thank the exhibitors who entered and stayed for Sunday, I know that the temptation to break for home early can be a strong one! There seemed to be strong support from local Bull Terrier exhibitors as well as others out of state. There were many very good dogs present and some difficult decisions between dogs of different types. It's one of the things that makes breeding and judging this breed an enjoyable challenge.

## **COLORED**

### **Winners Dog**

Morgan Hooks' **ACTION ENCHANTING GEODE POWER** (Ch Formula Power Up For Action ex Ch Action Head Enchantress RN CGC TKN) Young brindle and white dog with exaggerated profile, good expression, and correct mouth, nice bone for his size and short backed but a bit high on leg. He moved freely but with some puppy looseness coming and going, could benefit from some roadwork as he matures.

### **Reserve Winners Dog N/A**

### **Winners Bitch and Best of Winners**

Deborah Kovash & Annalee Cox's **SOME OKIES WICKED PIRATE'S CAPER** (Javarke River Pirate ex CH Some Okies Wicked White Maiden) Well balanced black brindle and white bitch with a long, gently turned head, good width to the end of her muzzle and correct bite. Well-constructed with nice length of neck that flows smoothly into her neck, she covered the ground well and was close to parallel coming and going. Her movement would be better displayed at a slower pace. Winners on better overall balance and muzzle width, BW on better overall balance.

### **Reserve Winners Bitch**

Phil & Amy Jaspers' **NOTORIOUS NO FOX GIVEN** (Jordan De Z Rzymkich Legionw ex Notorious Ronda Rousey) Substantial fawn and white bitch with an exaggerated profile, could use more width at the end of her muzzle, her mouth is correct. She has a lot of bone for her size; I would prefer a shorter loin. Moved freely from the side, and close to parallel coming and going.

### **Best of Variety**

Teri Rumer's **ELECTRIC BULL'S FANTASTIC FANATIC** (Emred Daredevil ex Fanatic Bulls Baywatch Babe) She is a well-balanced, substantial brindle and white bitch with little white behind the collar. She has a gentle profile with a well-packed head filled up right to the end of her muzzle. Good expression and a correct mouth. While not flashy standing still, on the move, her balance, short back, and strong topline stand out, she moves parallel coming and going. BV on overall balance, compactness, and head power.

### **Best of Opposite Sex**

Cathy and Bill Sodomsky and Krista Prater Piles' **GCH MALAJO'S FORMULA FOR A DRAMA DEVIL** (GCH Action Devils Apprentice By Formula ex GCH Actions Formula For A Queen) Handsome red and white dog with a long smooth head, well-turned with a wicked expression and correct mouth. He is short backed, but I would prefer a deeper chest and longer neck to bring his proportions into balance. Cleanly made in front and moves parallel coming, just a touch closer going away.

### **Select Dog**

Connie Whitmer and Paul O'Driscoll's **CH HAWTHORN DRAGON'S HEART** (Emred Devils Spy ex GCH Hawthorn Double Bock GROM) Powerful brindle and white dog who moves with enthusiastic determination. Very

strong head with a wicked expression, incisors correct, and canines are a bit tight. Plenty of fore chest and rib spring. He has a lot of reach when viewed moving from the side and is a bit out at the elbow coming and close going away. I would prefer a longer neck and a bit less rise over the loin.

### **Select Bitch**

Victoria Sottile's **GCHB ACTION SHAKE, RATTLE 'N SOUL AT ALARIC TKN** (GCHB Grabo Testarossa Formula For Drama ex GCH Action's Soul Power Of Alaric) Beautifully presented brindle and white bitch with a long, well-filled head and good expression, canines correct, incisors just a little bit under. She moves freely and close to parallel coming and going. I would prefer a shorter loin.

### **WHITE**

#### **Winners Dog**

Shirley & Kimberly O'Doherty and Krista Prater Pile's **FORMULA FOR A DREAM FREE BROTHER** (Action Devils Apprentice By Formula ex Actions Formula For A Queen) Short backed substantial dog with a massive head, smooth profile, and evil expression. Not the most enthusiastic showman. He possesses one of the shortest straightest tails I've seen in a while and has excellent feet. Incisors are correct, but canines are a bit tight. Shapely for a dog of his bulk, I would prefer a little more length of neck. Moves parallel in front, but a bit close behind.

#### **Reserve Winners Dog**

N/A

#### **Winners Bitch, Best of Winners, and Best of Opposite Sex**

Phil and Amy Jaspers and Kathy and Bill Roy's **NOTORIOUS MOONSTONE** (CH Skylines Black Over SST ex Notorious Lady In Red) Typy white bitch with a strong head, with smooth profile, excellent expression. good fill and correct mouth. Good bone for her size, moved well, close to parallel movement coming just a touch closer going away. Her strength of head, typiness, and substance carried her to the top awards.

#### **Reserve Winners Bitch**

Andrea Coppiano and Victoria Sottile's **ALARIC WISH UPON A STAR** (CH Tawnbarr Star Chaser ex GCH Action's Soul Power Of Alaric TKN) Typy, well-balanced bitch with a long, smooth head with gentle profile, keen expression, and correct bite. In lovely hard condition, she is short-backed, shapely, and naturally stands foursquare with a clean front and well-angulated hindquarters. She moves smoothly from the side and parallel front and rear.

#### **Best of Variety**

Melanie and Ty Whitehair and Terry and Ellen Bluhm's **BULLYMOON STANDS FOR LIBERTY WITH SANDSTONE** Sandstone's Honky Tonk Heartbreaker ex Sandstone's Visions Of Liberty) Substantial all-white dog with a massive head. Smooth profile and outstanding fill to the end of his muzzle with a piercing expression. His mouth is just slightly off level. Short backed with an excellent rib spring and firm topline. He could be better-angulated front and rear but all his parts fit together smoothly and in proportion. He moves with a touch of a roll, a bit out at the elbow in front and close in the rear. An excellent example of the Bulldog style of Bull Terrier. Best of variety on his overall power and breed type.

#### **Select Dog**

Connie, Darin, and Yasmin Whitmer, and Krista Prater Piles' **CH FORMULAS ROMAN GLADIATOR AT BRILLIANT** (GCH Action Devils Apprentice By Formula ex GCH Actions Formula For A Queen CGC) Cleanly made white dog with a powerful head, well-turned profile and piercing expression, correct bite. He is short-backed and shapely, and moves out well, parallel in front and just a bit closer in the rear.

**Select Bitch**

Casey Main's **CH HARLEQUINS UPTOWN GIRL** (Serenbull Soul Anarchy ex CH Yorks Moving Topsy Turvy into Harlequin) She is an all-white bitch of an elegant type with clean lines. She has a slightly exaggerated profile and correct incisors with tight canines. She moved freely, parallel in front and a bit close in the rear.
