Cleo Parker

I would like to thank the BTC of Central Arizona for inviting me to judge this show and supporting me through multiple flight changes due to winter storm Landon. It was midnight Friday before I was sure I was going to get to Phoenix in time for the show! I learned I was not the only one who had trouble getting to the show, but I enjoyed judging and both the club and the cluster's hospitality. I was also able to indulge my personal interest in autonomous vehicles and go joyriding in a Waymo in Chandler.

COLORED

Winners Dog

Melany Aten's **STONEHOUSE'S HITCHHIKER** (Ch Satyricon's Gold Digger-Ch Notorious Miesha Tate) Large brindle & white dog with balanced proportions, smooth but not exaggerated profile, good expression, muzzle is wide right to the end. Correct incisors with one tight canine. Moved fluidly with a strong topline, good both coming and going.

Reserve Winners Dog #7

Joshua Bergin & Christina Rozema's **ROZEHAVEN'S BALL LIGHTNING** (Busta Rhymes Let's Go Party Bulterier-Luxury Avenue's Freyja Of Rozehaven) Another nicely marked brindle and white dog, not as mature as the winner. Smooth profile, excellent length of head with fill to the end of his muzzle, mouth is correct. I would prefer ears set a bit higher on his head. Shorter backed than the Winners Dog and moves well. He needs to time to grow up and fill out in the chest.

Winners Bitch, Best of Winners, Best Opposite Sex

Melany Aten's **STONEHOUSE'S SHE'LL MAKE YOU SMILE** (Satyricon's Gold Digger-ch Notorious Miesha Tate) Substantial well balanced red and white bitch with an extremely strong head, well turned, well filled, with a correct bite. Moves freely and close to parallel both coming and going, with a strong topline, although her tail is carried a bit high. She was a bit worried by loud noises nearby when first coming in the ring and relaxed as the show went on.

Reserve Winners Bitch

Franne Berez & Dale Schuur's **ACTION SIMPLY DIVINE BY OLD FORGE** (Formula For A Drama Free Brother CGC-GCH Ch Action Kissed By Divine From Old Forge) Lovely feminine puppy with smooth lines and good proportions. Smooth profile, with good fill to the end of the muzzle. She has correct incisors, one canine a bit tight. Expression is good but marred by wide set ears that are still a bit soft. She moves fluidly with just a touch of puppy looseness and should have a bright future ahead.

Best of Variety

Robin J Overby's **REDROCK'S EXPRESSION OF COLOR** (GCHS CH Grabo Testarossa Formula for Drama-Edelwin's Reflection of Dora at Redrock) Typy solid brindle dog who was moved up prior to the day I judged. He is short backed and square all around. He has a very strong head with good profile, excellent expression, correct mouth and fill all the way down his

muzzle. He moves with jauntiness and power and is close to parallel both coming and going. Edged out BOS with his greater typiness and better expression.

Select Dog

Mary Jo Antle, Richard Antle, & Jan Dykema's **GCHB SIERRAVIEW BESTUVALL CROSSTHERUBICON** (GCHS CH Grabo Testarossa Formula For Drama-GCHB CH Bestuvall Cross My Heart) Strong headed dog, with exaggerated profile and excellent width of muzzle, his mouth is correct. I would prefer smaller ears set higher on his head. He has lovely feet. Has a jaunty way of going and is closer to parallel coming than going away. Not quite the balance and breed type of the BV.

Select Bitch

Tami&Bill Shaw's **GCH SECONDTONONE CROWN JEWEL** (GCH Soquel Millenium Seafarer-CH Bestuvall Too Hot To Be Cool) Substantial, almost doggy brindle and white bitch with a strong head, smooth profile, loads of fill and a correct mouth. Would prefer a shorter, stronger topline, she seemed to be a bit tired on the last day of the weekend. A close decision between her and the BOS.

WHITE

Winners Dog and Best of Winners

Melany Aten's **STONEHOUSE'S CAN'T SAY NO** (Ch Javarke Argent at Energon-GCHB Stonehouse's Easy Being Royal.) Tall, short-backed puppy. He has a good profile and fill down his muzzle and an evil expression, he has a correct bite and carries his ears well up. Balanced proportions within a large, reachy frame, he moves fluidly, but with a bit of puppy looseness. Best of Winners on better construction and bite.

Winners Bitch

Terry D McQuade DVM's **LUNAR ECLIPSE** (GCH CH Envoys Hard Cider CD BN CGC-Action Lunar Dream Scape of Geibel Farm) Another young puppy. She is pretty headed with a good profile, excellent expression, and good fill of foreface. Unfortunately undershot with close canines. Moves freely, but with typical puppy looseness.

Reserve Winners Bitch N/A

Best of Variety and Best Owner Handled

Mary Jo Antle, Rick Antle, & Jan Dykema's **GCH CH KINGFARMS DUTCH ROYAL** (CH Teirwgwyn Top Gun-Action Hot and Classy) Large white dog with a very strong head, excellent fill down to the end of his muzzle, his mouth is correct. I'd prefer tighter skin, especially where his head transitions into his neck. Adequate movement.

Best of Opposite Sex

Regina Gnam, Jan Dykema, & Mary Jo Antle's **BESTUVALL OBSESSION** (GCH CH SierraView Bestuvall Cross The Rubicon-CH Bestuvall My Sin) Lovely headed all white bitch with good profile and excellent fill, she can hold her ears right up on top of her head, contributing to her evil expression, and she has a correct bite. I would prefer a little less length through the loin.

Select Bitch

Bonnie Blink & Diane Davis 's **CH ENVOY LOOKS LIKE AN ANGEL AT QUIETWOOD**
(Ch Magavilles Reckless-Envoy Fortune Wookie) Short-backed all white bitch with balance proportions, she has a gentle profile and good expression, I would prefer more fill under her eyes and down the muzzle. Topline did not hold as well as the BOS on the move.
