Winners Dog

Denice & Gary Hasty & Loraine & Michael Davidson's **BENCHMARK MAVERICK'S NEED FOR SPEED** (CH Kingsmere Rambunctious Time Traveler-GCHB CH Lagniappe's Sweet Beignet) Short backed brindle and white puppy with a strong head. Slightly undershot with correct canines. I would prefer a little less arch over the loin. He moves with elbows out in front, better behind.

Winners Bitch and Best of Winners

James DeAnda & Sandy Lindstedt's **TRIUMPH I AM THE ONE** (GCH Bullcreeks Bombastic-GCHB Bullcreeks Escape To Glory at Triumph) Short-backed bitch with gentle profile and excellent fill, correct mouth. Moved well, if a little restricted in front. Winners on overall breed type, short back, and greater maturity than the reserve.

Reserve Winners Bitch

Kathy Graber's **TONKA I'LL HAVE WHAT SHE'S HAVING** (GCHG Ch Brownstone's Ultimate Weapon CGC-GCH Ch Triumph Putting Out The Fire) Short-backed white puppy with pretty head, smooth profile, and well-filled muzzle. Mouth scissors with tight canines. Moved in typical MBT fashion, a bit out at elbow in front and better behind.

Best of Variety

Nancy DeVore's **CH KINGSMERE SHARP DRESSED MAN** (CH Kingsmere Preachin to the choir-Kingsmere Huna Kaikamahine) Brindle and white with flashy markings. He has a strong head with a gentle profile and good fill, slightly undershot with correct canines, and good expression. Has a short back and good length of neck, moves with enthusiasm. Just a bit out at elbow moving in front.

Best of Opposite Sex

Nancy M DeVore & Linda Lethin's **CH KINGSMERE THIS GIRL IS ON FIRE AT KARISMA** (Extravert Identikit-Kingsmere She's a pistol) Typy solid dark brindle bitch, with a strong, solid head, well turned in profile and very wide down the muzzle. I would prefer a smaller, more triangular eye. Incisors are scissors with a canine issue. Moves with jaunty authority, a bit out at elbow moving in front, closer to parallel going away.

Select Dog

Robn Briganti, Stephanie Johannesson, & L & R Bagge's **GCHS LOTUS' MIC DROP** (GCHS CH Brownstone's Ultimate Weapon-GCH Bullter Ego Gossip Girl Lotus BCAT) Substantial white dog with a strong head, profile more angled than curved with lots of fill and a good expression. He has a correct mouth. This dog had probably the best shoulders I saw in minis on the day and was a contender for best of breed, I just didn't find him as typy as my winner.

Select Bitch

Kevin McIntyre, William Conner, & Linda Lethin's **KINGSMERE TALK OF THE TOWN**
(Extravert Identikit-Kingsmere She's A Pistol) Solid dark brindle bitch with short back, strong head with good profile, plenty of fill, I would prefer a smaller eye. Her mouth is slightly under. Moved well with a correct topline.
