Winners Dog N/A

Winners Bitch

Laura Pethke, Ashley Raphael, Meghan Barnes, and Mr. Stuart Cairns'

OMEGA'S HIDILYN WORTH HER WEIGHT IN GOLD AT KENRON

(CH Extravert Know How - CH Omega's Winona Hawkins) Upstanding puppy with a nicely turned and filled head, good expression, and correct bite.

Movement is a bit close both coming and going. Winners in a close decision on her shorter back and more distinctly miniature proportions.

Reserve Winners Bitch

Lisa Bennett's **OMEGA KNOW IT ALL** (CH Extravert Know How - GCH

CH Bulligomingo-Omega's Ponce De Leon) Pretty bitch with a nicely turned

head with good fill and a correct bite. Her movement was hard to assess as she

had her ideas about where she was going, but she moved out well and appeared

close to parallel coming and going.

Best of Variety

Connie Whitmer, Liz Thomas, Chris Kilpatrick, and Linda Lethin's **GCH CH**

KINGSMERE BRILLIANT OBSESSION (GCH CH Rhinestone Too Hot to

Handle At Brilliant - GCHB CH Kingmere The Divine Miss M) Strong-

headed, with good bone for her size. Her head is well turned and packed right

to the end of her muzzle with a piercing expression, mouth is undershot. Built

wide in the front which leads her to move out at the elbows. She holds her

topline well on the move and her tail is set on correctly. I would prefer less

length of loin, but her overall typiness carried her to the top award.

Best of Opposite Sex

Amy Johnson, Carrie Zimmer, and Laura Pethke's **GCHS CH KENRON'S**

BEACHIN CA (GCH CH Badlesmere Black Russian - CH Kenron's Alyce In

Wonderland) Short backed well balanced tricolor dog with good substance and

bone for his size. Smooth profile and good fill which tapers toward the end of

his muzzle, his mouth is correct, I would prefer a smaller eye and higher set

ears. Movement is a little constricted in front and close to parallel behind with

a definite spring in his step. His short back and balance gave him this award.

Select Dog

Debbie Chastain, Meghan Barnes, Lacey Keller, and Stuart Cairns' **GCH CH ENUF BULL BENMAR CAN'T TOUCH THIS OMEGA**. (Extravert Camouflage - CH Omega's Hidden Treasure At Benmar CA. Br) Typy brindle and white dog with a strong head filled up right to the end of his muzzle, he is slightly undershot. He stands close to parallel front and rear and moves close to parallel as well, with a charming amount of jauntiness. His shoulder and rear could use more angulation and I would prefer a shorter loin.

Select Bitch

Amy Woodman Jaspers, Phil Jaspers, and Laura Pethke's **GCHS CH ABERDEEN DAYUM GIRL @ SPITFIRE & BROWNSTONE**. (GCHB CH Hellion's Ronin Samurai - Kenron's A Star Is Born For Notorious) In contrast to my Best of Breed bitch, this girl is upstanding and elegant with a long, smoothly turned head with good width through her foreface with a correct mouth, I would prefer a smaller eye. Her front is clean with elbows tucked in and she moves parallel in front, a bit closer in the rear, and she has good reach on the move. While she has more length of leg to offset her overall length of back I would still prefer a shorter loin.
